

INTERNATIONAL MEDICAL COLLEGE

Memo No: IMC/2021/7224

Date: 19/08/2021

Notice

The Government has taken an initiative to vaccinate all medical students (local & foreign) against COVID-19 on a priority basis. The Government also intends to allow physical classes for MBBS students after successful completion of the process.

It is assumed that students who will not get vaccinated may be restricted from attending the physical classes. Therefore, it is advisable to all students to get vaccinated against COVID-19 as early as possible.

The matter should be considered as high priority.
